

SUPER EXCHANGE

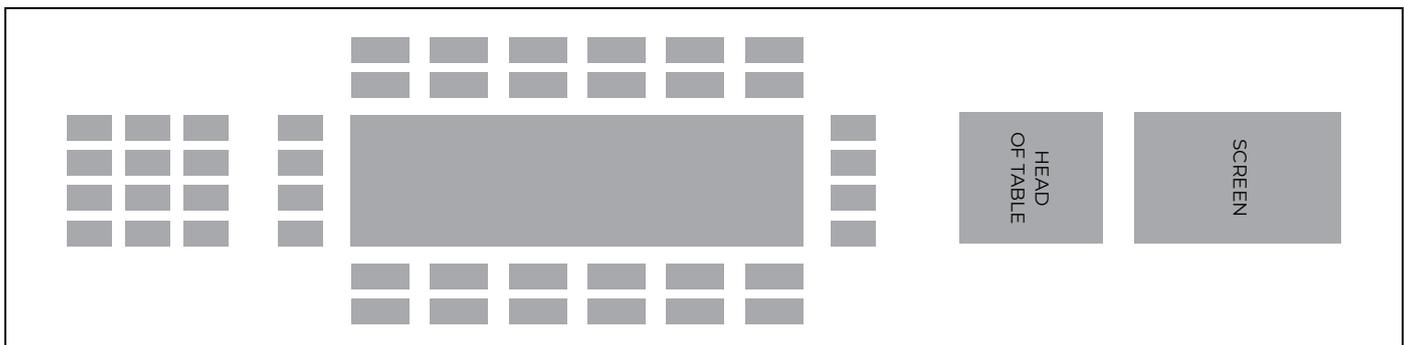

Blockchain, Emerging Technologies & Trade Conference

Get up-to-date on blockchain, other emerging technologies, and international trade. Discover innovations, trends, policy directions and market opportunities. Discuss issues in-depth in a unique format, and connect with key players.

WHO	For business, government and academia. Small, medium and large enterprises engaged in international trade. All industries, including agriculture, defence, entertainment, fast moving consumer products, finance, information technology, manufacturing and professional services.
WHEN	24-25 August 2023
WHERE	Sydney, NSW (specific venue to be advised)
PROGRAM	The event will be held over 2 days, and within 2 halls

Hall 1 – Roundtable discussions will be held over two days on the 4 topics as follows:

DAY 1

Morning

Blockchain, NFTS and metaverse

Is there more to blockchain than crypto-currencies?
Can NFTs empower artists and who else?
How does blockchain apply in defence?
What regulatory gaps need to be filled?

Lunch

Networking

Afternoon

Streamlining trade, including traceability

What are the risks for global trade in 2023?
Has there been progress in simplifying trade processes?
Can blockchain and other technologies assist with traceability?
Why trade partners, such as the EU and US, will demand higher traceability standards?

DAY 2

Morning

Green financing

Are SME exporters taking ESG seriously enough?
What are investors looking for?
Who is leading the innovation in green financing?
Are there other ways to monetise green credentials?

Lunch

Networking

Afternoon

E-commerce

Has e-commerce reached its peak?
How can you get more from e-commerce?
What trends are we seeing in terms of products and services?
Where are the new opportunities?

Hall 2 – Marketplace with displays/exhibition booths or lounges. Organisations and individuals can have one-on-one discussions.
